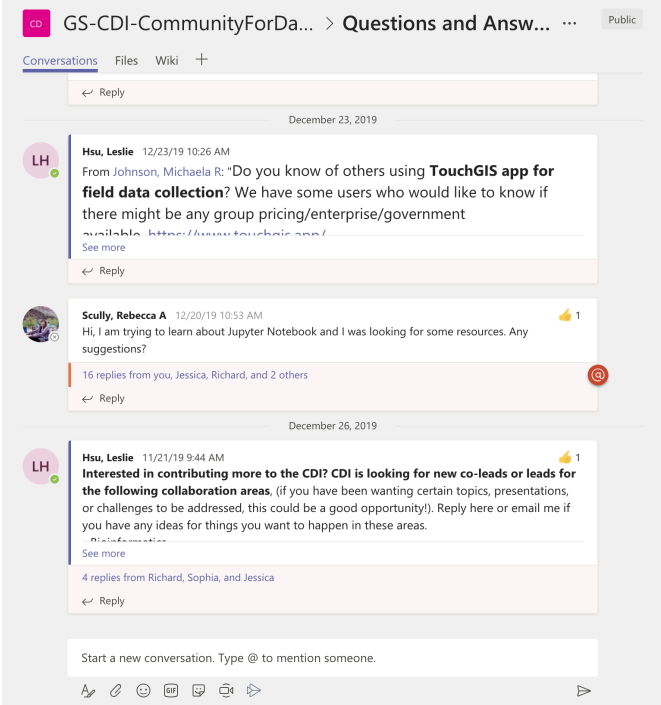
🔥	CDI Reading List - 2019 Autumn Are you reading an article or link that you think other CDI members might be interested in? Maybe you only finished reading the title and abstract, but want to share your find before it disappears into your browser history. Please share your own papers! Y	Hsu, Leslie	9	Dec 23, 2019
	New CDI Usability Collaboration Area meeting on December 18! WHAT: First meeting of CDI's new Usability Collaboration Area https://my.usgs.gov/confluence/x/xpCpJg! WHEN: December 18 from 3-4pm Eastern HOW: Join us at https://zoom.us/j/377728142 https://zoom.us/j/377728142. DETAILS: Sophie Hou will be covering Defin	Hsu, Leslie	0	Dec 04, 2019
	Data integration symposium @ N.Amer. Ornithological Conf (NAOC) 2020 Greetings all. Myself and a couple of colleagues are currently drafting up a symposium proposal for NAOC 2020. If you or a colleague intends to attend NAOC 2020 and has interest in data integration issues related to bird data, i'd love to hear from you/t	Burnett, Jessica Leigh	0	Nov 21, 2019
	USGS employees - join the new CDI Microsoft Team USGS employees: join the new CDI Microsoft Team where you can ask questions, suggest connections to other Teams with relevant discussions, and view more frequent and informal announcements.	Hsu, Leslie	0	Nov 05, 2019

MSTeams



CDI Forum

Public

Use the Forum for information that will be more useful in the long-term. Forum posts will be referred to in CDI emails because there are many non-USGS members.

MSTeams

USGS only

People seem to be using this more for Q&A and near-real-time updates. Use the Teams for informal, transient discussion. I do not expect to be able to go back and find earlier information in Teams.
